### 温馨提示TIPS:

1. 假设您是一处多用途房屋的房东，而该住宅由来自两个以上家庭的五个或更多人承租，那么您需要申请强制性的多户住宅（HMO）许可证。此为政府强制要求项，每个市政府在申请过程中都会收取不同的费用，这只是我们在为房东提交申请时的费用。If you are a landlord of a house in multiple occupation that is shared by five or more people living in two or more households. Apply for a mandatory (HMO) license. Each council charge different fee during the application, It's just our fees while we submit the application for the landlord.

2. 单户住宅出租许可制度要求在自治区划定的特定区域内，所有私人租赁给单一家庭的住房都必须申请并获得正式的许可。不同城市的地方政府对于申请该许可证会收取不同数额的费用。我们在代表房东提交许可申请时，需缴纳的费用即属此类。Selective Licensing means that all private-rented single-household properties within a designated area of the borough are required to be licensed. Some Council Require this Each council charge different fee during the application, It's just our fees while we submit the application for the landlord.

3. 在英国租客背景调查非常重要。为避免老赖租客，LCH将委托第三方对租客提供的工作收入证明和前房东对租客的租金缴纳情况做出电话核实。然而，即使认真做好租客背景调查，仍然无法100%保证租客不拖欠租金。出现租客恶意拖欠租金的情况每年占比约2%。遭遇以上情况，我们将协助房东跟进律师警告函、法庭诉讼、追缴租金、收回房屋等流程。如果业主选择入住前不做租客背景调查，遭遇以上情况，业主将承担所有损失。In the UK, conducting tenant background checks is paramount! To mitigate the risk of dealing with defaulting tenants, LCH employs a third-party service to authenticate the tenant's income proof and to make phone enquiries about their previous rental behavior with former landlords. Despite our rigorous tenant screening processes, we cannot entirely eliminate the possibility of tenants defaulting on their rent, which accounts for about 2% of cases each year. If such unfortunate incidents occur, we stand by our landlords, aiding them with legal warning letters, court proceedings, rent recovery efforts, and the process of property repossession. However, if landlords opt not to carry out a tenant background check before the tenant's move-in, they must be prepared to shoulder all potential losses in such eventualities.

4. 月付租客仍然存在欠租风险，我们强烈建议业主购买“业主租赁保险”，一旦出险，保险公司将赔付9个月的房租损失。Despite the steady income from monthly rent payments, landlords still face the risk of rent arrears. We strongly advise landlords to consider investing in a “Landlord Rental Insurance”. Should a claim arise, the insurance company can provide compensation for up to nine months of lost rental income. It's an excellent safety net for landlords, offering protection and peace of mind.
